PURPOSE

The members of GBCharities offer our utmost thanks for your continued support for our cause. So often, children get lost in the education system for any number of reasons – lack of family support, single parent syndrome, medical challenges to the family, etc. None of these reasons are the child's fault or responsibility, yet they are paying the bill of a lifetime.

The money you have donated goes 100% to supporting these children. No administrative costs are incurred by our charity as they are all contributed freely by our members. The net proceeds of your golf today will offset the bill against each child's life – it will have an immediate and lasting impact in favor of a better life, a better community, and a better future.

That is what GBCharities is about.

THIS IS YOUR CHANCE TO HELP!
